ACCOMPLISHMENTS

Portfolio Website — [Ben-Langlois.github.io/Portfolio/](https://ben-langlois.github.io/Portfolio/)

- React-based webpage displaying resume information and projects hosted through Github Pages
- Built using SASS without a library

Photography Portfolio — [Ben-Langlois.github.io/Photography-Portfolio/](https://ben-langlois.github.io/Photography-Portfolio/)

- React app I made in 3 days to display pictures I take on trips/hikes/walks
- Allows users to filter locations through a responsive layout

Weather App — bens-weatherapp.live/

- React app utilizing a weather API, JQuery, SASS, and a bit of Bootstrap to display daily, weekly, and hourly weather stats through a clean, minimalist UI

Lab Timer — codepen.io/ben-langlois/full/wvqKwRL

- A timer built with React to aid a Ph.D. student's thesis in monitoring paces at different speeds
- In use for more than 6 months at McMaster University

Notes App — codepen.io/ben-langlois/pen/JjJrJqK

- A basic React app that allows for the input and display of notes

EXPERIENCE

Prep Cook

September 2022 - June 2023

Ancaster Mill | Ancaster, ON

- Beginning as a dishwasher, I became a prep cook after 3 months and began organizing and carrying out prep tasks for a weekly brunch of ~500 people
- Soon took on a pseudo-management role delegating tasks, managing orders, organizing prep and ensuring everything was in order.
- Assisted senior kitchen staff with meeting demands of fast-paced kitchen operations.

Merchandiser / Cashier

September 2021 - March 2023

Shoppers Drug Mart | Hamilton, Ontario

- Played a key role and collaborated with a team of 5+ organizing stores
- Excelled in the fast-paced work environment and completed tasks exceeding expectations.
- Implemented and executed plan-o-grams in-line with store presentation guidelines.
- Performed comprehensive stock checks to maximize product sales.
- Prioritized task load with minimal supervision and sound judgment.
